Salary Packaging

AS A NOT FOR PROFIT ORGANISATION, WE OFFER
SALARY PACKAGING FOR PART-TIME OR FULL-TIME STAFF
WHICH INCREASES YOUR TAKE HOME PAY.

WHAT IS SALARY PACKAGING AND WHAT'S IN IT FOR ME?

Put simply, salary packaging means more money in your pocket each fortnight.

Salary packaging (or salary sacrifice) is a benefit that Peninsula Villages offers to its permanent employees, which, when taken advantage of, offers the employee an opportunity to pay for expenses BEFORE tax. This means you receive the same salary, pay less tax and are left with a higher disposable income.

TO ILLUSTRATE HOW THIS WORKS IN FINANCIAL TERMS:

	WITH SALARY PACKAGING	WITHOUT SALARY PACKAGING
GROSS WAGES	\$50,000	\$50,000
SALARY PACKAGING AMOUNT	\$18,549.96	\$0
TAXABLE INCOME	\$31,450.04	\$50,000
INCOME TAX PAYABLE	\$3,146	\$7,716.68
TAKE HOME PAY	\$46,853.71	\$42,283.32

This information has been provided for illustration purposes only. Exact figures can differ based on personal circumstances and tax rates.
